

GENERAL TERMS AND CONDITIONS

Using Life2all, Lda Portal and services

1. OWNER OF THE PORTAL

This document describes the contractual terms and conditions (Terms and Conditions) applicable to the access and usage of **Life2all, Lda** (henceforth Entity) services, a commercial shareholding society, legal person nº 514 410 639, Social Security nº 25144106399, based in Rua da Abicada, Lote 12, 2º Dt.º, 8500-454 Portimão, owner of the website "**algarvesitters.com**".

The Portal's domain is owned by the aforementioned Entity.

The domain cannot be used in connection with other content, products or services that are not owned by the Entity. Nor can it be used in a way that might cause confusion regarding the final user and/or the Entity's discredit.

2. OBJECT

This document describes the General Conditions for access, navigation and usage of the website **algarvesitters.com**, as well as the held responsibility. Furthermore, this document describes the General Terms and Conditions for the services provided by the Entity.

- The access to the aforementioned website, with the purpose of consulting informational content provided by the Entity does not require data provision. Form-filling, information requests, consultation, complaints, hiring proposals or any other similar action that requires using forms provided by the website will

demand User registration. The User registration will require the knowledge and acceptance of every norm described in this document.

- If the user intends to use the Portal with the purpose of hiring products or services, this condition will additionally require the knowledge and acceptance of the General Terms and Conditions. Depending on the contract, the Specific Terms and Conditions might also need knowledge and acceptance by the User. The Specific Terms and Conditions will be provided to the User during the contractual process.

3. PORTAL ACCESS AND USE

- The access to the website is free and it is characterized by the waiver of basic formalities.

- If the User intends to engage on a contractual process, this will require a preliminary compliance of formal requirements, such as form-filling, payment of fees and the acceptance of the General/Specific Conditions applicable.

- Simple access to the website does not require any kind of connection or commercial relationship between the Entity and the User, unless both parts have adopted a conduct for that purpose. Furthermore, this condition requires the User to fulfil the established requirements.

- Any information regarding services or products provided by the Entity are exclusively for informational and advertising purposes, unless other aim is established.

- Contractual purposes require User registration, under which the User undertakes to provide true information and to guarantee the authenticity of all the personal data that she/he introduces in the forms.

- In order to register, the User must fill in all the information fields in the Service Request Form.

- The Entity will not be held responsible for the accuracy of the information provided by the User. Only the User will be held responsible for the truthfulness, accuracy and authenticity of the personal data introduced.

- In any case, the access, navigation and use of both the Web page and the contracting of the services or products offered by it are the sole and exclusive responsibility of the User. The User is then obliged to observe in a faithful and diligent manner any additional instruction related to the use of the Portal and its contents provided by the Entity or by authorized personnel.

- The User undertakes before the Entity not to use the contents, products and information of any kind obtained through the Portal for commercial purposes, namely: direct sales, unsolicited messages addressed to a plurality of persons regardless of their purpose. The User must also refrain from negotiating or disclosing such information.

4. RESPONSIBILITY:

- The Entity has adopted the necessary technical measures to guarantee the functioning of the Portal. However, the Entity is not responsible, nor does it guarantee the continuity of the Portal contents and/or their availability or access, maintenance or effective functioning of the Portal or its technical continuity (i), the absence of errors in the advertised content (ii), the absence of viruses and other harmful elements in the Portal or the server that supplies it (iii), the invulnerability of the Portal and / or access to the security measures adopted (iv), damages caused to the User or third parties by any person accessing the data through violation of the Portal security systems (v).

- The Entity will use its best efforts to keep the contents published in the Portal updated, as well as to avoid errors and omissions.

- Any communication or transmission of content that infringes upon the rights of third parties and/or which content is threatening, obscene, defamatory, pornographic, xenophobic and/or which infringes upon the dignity of the person or the rights of the child, of the current legislation or any conduct which incites or constitutes a crime.

It is also prohibited the inclusion and communication of false or incorrect content by Users that might induce or mislead the Entity and the third parties responsible for providing the services to the User.

The Entity may also prohibit and prevent access to the Portal from any User who adopts any of the aforementioned behaviours.

The User undertakes to use the Portal in good faith and in compliance with the law and the norms of use transmitted to him/her by the Entity, being forbidden its use for illicit or harmful to the Entity, or its normal functioning or the economic group to which it belongs.

5. INTELLECTUAL PROPERTY RIGHTS

The Entity is the holder of the license for the rights of exploitation in matters of intellectual, industrial, image property of the contents available in the Portal, namely texts, graphic designs, drawings, codes, software, photographs, videos, sounds, databases, indexes, images, trademarks, logos, expressions and information and, in general, any other creation protected by national standards and international treaties regarding intellectual property (henceforth Contents).

- The Entity reserves in its favour all intellectual and industrial property rights over the Contents and in particular, it is prohibited to modify, copy, reproduce in any form or by any means - electronic, mechanical or other, including photocopy of printed pages, recordings, or by any information storage process - publicly communicate, transform or distribute, in any way, all or part of the Content inserted in the Portal, unless by written authorization by the Entity.

- The User's access and navigation in the Portal may not be understood as a waiver, transmission, concession of license or total or partial transfer of the aforementioned rights by the Entity.

- References to names and trademarks, logos or other distinctive symbols, whether owned by the Entity or third parties, may not be used without the express consent of the Entity or its rightful owners. In no case, unless expressly and formally consented to, shall the User be granted any right over the trademarks, logos and / or distinctive symbols included in the Portal and protected by applicable law.

6. PRIVACY POLICY

This privacy policy defines the practices of processing and collecting personal information adopted by **Life2all**.

Llife2all recognizes the importance and legitimate right of privacy of all its users. The User provides personal information by registering and browsing **algarvesitters.com**. All elements collected about the User, such as usage history and preferences for services and searches, will be used only and for the sole purpose of providing the best possible user experience. Any information provided by the User or obtained by him/her at **algarvesitters.com** or its services is subject to our Cookies Policy.

You can learn more about cookies at <http://www.allaboutcookies.org/>.

Like other websites, algarvesitters.com collects information about its users. This information includes the User's IP address, ISP (Internet service provider, such as Vodafone, NOS, MEO, or other), the browser used when visiting our website (such as Chrome, Internet Explorer, Safari or Mozilla Firefox, etc.), the time of the visit and the visited pages within our Platform.

The personal data collected by **Llife2all** (name, telephone, e-mail, etc.) are voluntarily provided by the User, with the purpose of subscribing to or using the services we provide. Personal data will be treated in accordance with the purposes for each service.

Hence, **Llife2all** team is obliged to respect the confidentiality and the right to privacy of our Users, and therefore to keep all data and information confidential.

The personal data thus collected will not be disclosed to third parties without the User's knowledge.

User's personal data will only be delivered for compliance with any order or legal requirement or any law enforcement authorities under the terms and for the situations to which we are obliged, due to compliance with the Law.

The User is granted the right to request that his or her data are not to be processed for marketing or other purposes. In order to exercise your right, just contact us at geral@algarvesitters.com.

Llife2all reserves the right, at any time and without prior notice, to change or correct its privacy policy.

7. CONNECTIONS

7.1. Connections to other Web pages

- The Entity may provide connections or links, directly or indirectly, to resources or Internet web pages that are outside the Portal, for informational purposes. Such connections do not constitute any invitation for hiring products and / or services that are available on the destination web pages, nor does it imply the existence of a link or commercial relationship or dependence with the entity that owns the connected web page. The Entity shall not, under any circumstances, be responsible for establishing the general and particular conditions of use, provision or contracting of these services by third parties.
- The Entity does not have the human and / or technical means, to know, control and approve all the information, contents, products or services provided by other web pages with which it can establish links from its Portal. Thus, the Entity will not be liable for any aspect related to the web pages of third parties, namely, its operation, access, data, information, files, quality and reliability of its products and services, as well as its own links and / or any of its contents.

7.2. CONNECTIONS FROM OTHER WEB PAGES:

- Users, other entities or web pages who wish to establish some type of connection with the Portal must obtain the Entity's prior written authorization.
- The link can only go to the main page of the Portal, unless the Entity authorizes something else.
- The link must be complete, that is, it should take the User to the main page of the Portal with a click and completely cover the entire screen extension of that main page.
- In no case (unless with the Entity's permission) the web page from which it is made may reproduce, in any form or by any means, the Portal. Nor can the Portal be included as part of its web page or within any of its "frames". Additionally, other web pages may not create a "browser" on any of the Portal's pages.
- In the web page from which the connection is established, it cannot be declared in any way, that the Entity authorized such connection, unless such situation is confirmed.
- If the entity that made the link from its website to the Portal wishes to include in such page the brand, name, trade name, label, logo, or any other symbol identifying the Entity and / or Portal, must obtain the prior written authorization by the Entity.

- Links to the Portal are expressly prohibited from all web pages that contain illegal, degrading, obscene material, information or content and, in general, that offend morals, public order, current legislation, social norms generally accepted or that are harmful to third parties' legitimate rights.

7.3 COOKIES:

- The Entity uses cookies to make it easier for Users to navigate their web page.
- Cookies are small information files that allow the Entity to compare and perceive how users navigate through their web page and, consequently, to improve the navigation process.
- The cookies used do not store any personal data, nor any information that may identify the User. If the User does not want to receive cookies, he/she must configure the Internet browser to delete them from the computer hard disk, block them or alert in case they are installed.
- In order to navigate according to the configuration of cookies pre-programmed by the Entity, the User will only have to continue browsing the Web page and accept the Cookies Policy when requested.
- The reading of these General Conditions does not exempt the user from reading the Privacy Policy in force.

8. CONFIDENTIALITY:

- The Entity can guarantee the User who provides his/her personal data (eg to access information or contract services, manage the provision of services requested, request information, send documents, complaints, respond to surveys, statistics and market analysis, among other possible purposes) that the collection and processing of personal data will be carried out in accordance with the General Data Protection Regulation (GDPR) and other applicable national legislation.
- During the registration process, the User will be informed of the need to provide his/her personal data. When the User provides an e-mail address or other electronic means of communication, he/she authorizes the Entity to use that address as a means of communication in order to respond to the User's request and / or consultation, provide commercial information about the Entity and inform

the User of any relevant changes the Entity makes on the Website, among other unspecified purposes.

- Obtaining the client's personal data is a necessary requirement in order to provide the service in the most appropriate way. The data shall be kept during the period of the service execution, and may only be maintained in accordance with the legal requirements inherent in the purpose of treatment for which they were collected.

- The User may, at any time, exercise his/her right of access, rectification, cancellation and opposition, which may be exercised by sending a written communication to the following e-mail address: privacy@algarvesitters.com. Under the terms of applicable law, Life2all, Lda. has appointed a Data Protection Officer

- According to the aforementioned General Data Protection Regulation, if the User is to provide personal data of third parties he/she should inform them about the contents of the data facilitated, the purpose of the file and the possibility of exercising the rights of access, rectification, cancellation and opposition, as well as the identification and contact of the Entity.

- The Entity advises all Users to read its Privacy Policy.

9. DURATION AND MODIFICATION:

- The Entity reserves the right at any time and without prior notice to modify or eliminate the content, structure, graphic aspect, services and conditions of access and / or use, or withdraw, suspend or interrupt the access of the User to such Portal, without giving the User the right to any indemnity and / or compensation.

- After the termination of access to the Portal, for whatever reason, the prohibitions on the use of content, previously set forth in this Legal Notice, will continue to be in force.

- The Entity reserves the right to modify the present Legal Notice and / or the particular conditions that, in this case, have been established for the use and / or

contracting of the products or services provided through the Portal, when it deems appropriate. Particularly, in case of need for adaptation to legislative and technological changes, being valid and having effect from the time it is published in the Portal.

- The period of validity of these conditions of use therefore coincides with the time of their exposure, until they are totally or partially modified, at which time the modified conditions of use will become effective.

- If the User does not agree with the content of these Terms and Conditions or with the General Terms and Conditions for hiring the services provided by the Entity, the User must then abandon the connection with the Entity's Web page and / or not contract any of the services offered in this page.

10. COMMUNICATIONS:

- The User should contact the Entity through the contact data on the Web page.

- Communications between the Entity and the User shall be carried out in accordance with the contact details provided, establishing the use of electronic mail as the preferred means of communication between the Parties.
